

## Coerver® Southeast Summer Camps 2021 • Columbus, MS

The Coerver Play Like the Stars Camps are open to boys and girls between 7-18 years. Players are divided first by ability then by age into groups with a typical coaching ratio of no more than 16 to 1.

This is a 4 day camp (Mon-Thurs) from 5:30-8:30pm and is specifically designed for players at the beginner/Recreational/ Travel levels.

This Camp develops individual skill in all areas of the game with emphasis on Ball Mastery and beginning Move Sets. The emphasis is to develop confidence; players are given time to gain competence in new skills before defensive pressure is added. When a level of competence has been established, small sided games which encourage the use of new skills are played.
